DEPARTMENT OF WATER RESOURCES**NOTIFICATION**

The 21st June 2018

SUBJECT—Delegation of power to EEs for allocation of water with the small water consuming Industries/Commercial Organization.

No. 16476—Irr.-II-WRC-178/2018 (Physical)—WR-MAJII-WRC-0027/2018-(OSWAS)-WR—As per provision of Orissa Irrigation Act, 1959 and Orissa Irrigation Rules, 1961 (amended from time to time), water allocation from different rivers/nallas is made to the Industrial, Commercial and other establishments. It has come to the notice of Government that the number of Industrial/Commercial and other units using small quantities of water are increasing day by day. As per prevailing Act and Rule, the allocation of water to all the Industrial, Commercial and other establishments were decided by Government which is a lengthy and time consuming process. Accordingly, power was delegated to the Principal Secretary, DoWR for allocation of water up to 0.5 cusec vide DoWR Notification No. 3017-WR., dated the 9th February 2016.

Moreover, it is observed that a lot of construction activities are going on throughout the State for which these units are utilizing water without allocation and agreement. As a result Government is losing a huge amount of revenue. As per Clause 2 (a) (dd) of Notification No. 51010-IIIW-Legis-39/99-R., dated the 29th September 1999, the Executive Engineers have territorial jurisdiction over the Government water source as well as the irrigation works and they have the authority for assessment of water, consumption and collection of revenue on behalf of the State Government. In order to facilitate quick allocation and execution of agreement of water to Industrial, Commercial and other units and enhancement of revenue collection of the State, it is felt necessary for further delegation of powers to the Executive Engineers for allocation of water to small water consuming units.

After careful consideration, Government have been pleased to delegate the power of allocation of water to Industrial, Commercial and other units to the concerned Executive Engineers as mentioned below:—

1. Ground water up to 50 KLD (0.02 cusec).
2. Surface water 250 KLD (0.1 cusec) from Government source only.
3. Temporary drawal of surface water for construction purposes for a limited and specific period.

Necessary agreement, management and collection of water rate shall be made accordingly as per the Odisha Irrigation Act and Rules in force.

Government in Water Resources Department shall have the liberty to review any individual allocation/ agreement to any Industry/Commercial/other establishment by the Executive Engineers as per necessity.

Any clarification regarding implementation of this notification for allocation of water shall be issued by Government in Department of Water Resources.

This Notification shall come into force from its date of issue.

ORDER—Ordered that the Notification be published in the *Odisha Gazette*.
