AWARD

This matter arises out of a reference made by the Government of Odisha, Labour & E.S.I. Department under Sections 10 and 12 of Industrial Disputes Act under their memo No. 3502(6), dated the 8th March 2000 for adjudication on the following question :

“Whether the demand of the workers of M/s Saharoom Mistry, Contractor, Town Administration Department of M/s Larson & Toubro Ltd., Kansbahal is justified in demanding to be regularized by the principal employer, M/s Larson & Toubro Ltd., Kansbahal Works, Kansbahal ? If so, what should be the conditions of their employment ?

2. On notices being sent both parties appeared and filed their statement of claim and written statement, respectively. Thereafter management No. 2 was set *ex parte* on the 25th September 2001. The case was stayed by the management on the 24th December 2001 and it was vacated on the 28th January 2017 with a direction to adjudicate the reference expeditiously as possible, preferably within a period of six months. Issues were settled. But thereafter neither party appeared nor took any steps. Hence it seems that either they have settled their dispute amicably outside the court or they do not want to proceed with the case. So ‘no dispute award’ is passed.
