INDUSTRIES DEPARTMENT

NOTIFICATION

The 5th June 2023

No. 5097—IND-HI2-GUID-0001/2022-I.—The Industrial Policy Resolution, 2022 came into force w.e.f. the 1st December 2022 vide Industrial Department Resolution No. 12300/I., dated the 30th November 2022, The Para-I of Annexure-I of IPR 2022 allows the industrial units to exercise migration option in the prescribed provided in the Operational Guidelines within 180 days from the “Effective Date”, i.e., the 1st December 2022. The Operational Guidelines for exercising option by Migrated Industrial Units along with prescribed formats was issued on 3rd February 2023 following due procedure. Due to which, the period of 180 days allowed for exercising migration option by the Industrial unit is falling short by more than two months.

Therefore, in order to overcome such difficulty, Government of Odisha has been pleased to allow the eligible units to exercise option for migration to IPR 2022 within 180 days from date of issue of Operational Guidelines, i.e 180 days from the 3rd February 2023.

Necessary Government approval has been accorded in OSWAS File No. IND-HI2-GUID-0001-2022.

By order of the Governor

HEMANT SHARMA

Principal Secretary to Government
